

NOTICE

Use of recording devices and cameras at Texas MedClinic

To ensure that patient privacy is protected and that we comply with all local and federal laws, Texas MedClinic (TMC) does not allow patients (including family members) and visitors to use recording devices or cameras while on TMC's premises.

Physicians or providers (Nurse Practitioners or Physician Assistants) MAY allow patient or family member to record an image or instructions IF pertinent to the ongoing care of patient.

We appreciate your cooperation.
